Course overview

In 2013, a total of 176,000 safeguarding alerts were reported to councils with Adult Social Services responsibilities. One third of these cases involved physical abuse and neglect, making this the most common cause of safeguarding alerts.

Have you ever thought about how you could help protect innocent and vulnerable people who might be suffering from abuse, harm or neglect within the adult health and social care industry? This qualification will provide you with a thorough understanding of the importance of dignity and safeguarding, which could help reduce these shocking statistics.
